Rishit Dangeti

Education

•National Institute Of Technology Warangal *2023-2027*
Bachelor Of Technology in Computer Science and Engineering CGPA: 8.54

•Fiitjee Junior College *2023*
Telangana State Board of Intermediate Education Percentage: 98.1

•Vignan's Bo Tree School *2021*
Central Board of Secondary Education Percentage: 95.2

Experience

•MyJobGrow *Dec 2024 – Feb 2025*
AI/ML Intern Online

- Gained foundational knowledge in Artificial Intelligence and Machine Learning including Supervised, Unsupervised Learning, Prompt Engineering, and Classification.
- Explored tools like Google's Teachable Machine to train custom models using small image and audio datasets.
- Built and deployed a working AI-based image classifier using HTML, CSS, JavaScript, and TensorFlow.js.

Personal Projects

•Real Estate Management System *Apr 2025*
Designed a relational database for real estate operations.

- Tools & technologies used: MySQL, MySQL Workbench
- Created normalized schema to manage properties, clients, and transactions.

•Personal Portfolio Website *May 2025*
Responsive portfolio site showcasing my work and skills, deployed on Netlify.

- Built using HTML, CSS, JavaScript with a focus on clean UI and dark mode toggle.
- Integrated typing animation, project previews, and contact form using EmailJS.

•AI/ML Classifier *Feb 2025*
A webcam-based live image classification web app built using Teachable Machine.

- Trained an image recognition model using 4–5 input samples per class via Google's Teachable Machine.
- Integrated the exported TensorFlow.js model into a website using HTML, CSS, and JavaScript.
- Designed a responsive UI and deployed the project using GitHub Pages for public access.
- Hands-on with concepts like real-time webcam input, model prediction, and user interaction via DOM updates.

Technical Skills and Interests

Languages: C++, HTML, CSS, JavaScript
Developer Tools: VS Code, MySQL, Teachable Machine, Git
Frameworks: Express.js, Node.js, React.js
Cloud/Databases: MySQL, MySQL Workbench
Soft Skills: Problem Solving, Quick Learning, Teamwork
Coursework: Data Structures, Algorithms, DBMS, OOP, Operating Systems
Areas of Interest: Web Development, Artificial Intelligence, Machine Learning, Data Science

Achievements

•JEE Mains 2023: AIR 2749 *2023*

•JEE Advanced 2023: AIR 10798 *2023*
